

1 Million مليون خير لأوامر
الذكاء الاصطناعي Prompters

مبادرة من مؤسسة دبي للمستقبل
An Initiative by Dubai Future Foundation

CERTIFICATE OF COMPLETION

This certificate is proudly presented to

Johan Untuña

For successfully completing the "10,000 Prompters Ecuador" program launched by the Government of Ecuador in partnership with the United Arab Emirates.

This initiative, aligned with the "New Ecuador" vision, aims to train and strengthen competencies in prompt engineering for artificial intelligence systems, contributing to the development of a workforce prepared for the challenges of the future.
